

DECLARATION SUSTAINABLE FOREST MANAGEMENT

SFI and Form Tanzania is committed to establish and manage tree plantations in a responsible way, taking into account the existing social and ecological environment.

As proof of its level of management of the established forest plantations, the company is committed to achieve and maintain FSC™ certification. More specifically, SFI and Form Tanzania will practice sustainable forest management according to the Principles and Criteria of the Forest Stewardship Council™.

Thys Greeff

A handwritten signature in black ink, appearing to read "Thys Greeff", is written over a horizontal line.
